9 June 2023

To shareholders, and, for information only, to holders of options under the Company's share option schemes.

This document gives details of the business to be transacted at the 2023 Annual General Meeting of the Company (the 'AGM' or 'Annual General Meeting').

This year's AGM will be held on Tuesday 4 July 2023 at 9:00am at Forrest House, Ronaldsway, Isle of Man, IM9 2RG. The formal notice of the meeting (the 'Notice') is contained on pages 6 and 7 of this document.

Whether or not you propose to attend the AGM, please complete and submit a proxy form in accordance with the instructions detailed in the Explanatory Notes section of this document. The proxy form must be received not less than 48 hours before the time of the holding of the AGM.

In lieu of attending the AGM in person, shareholders can also participate in the AGM by proxy. Please refer to the Explanatory Notes section of this Notice for details on how to appoint a proxy.

Whether or not shareholders will be attending the AGM in person, we ask that any questions concerning any of the business to be dealt with at the AGM are submitted in advance by email to AGMquestions@strix.com so that a response from the relevant member of the board of directors of the Company (the 'Board of Directors') may be provided. Answers to relevant questions that would have been given at the AGM will be published on our website following the AGM.

I summarise below the proposed business to be transacted at the AGM.

Resolutions 1 to 11 as set out in the Notice deal with the business of the AGM to be passed by way of ordinary resolution of the shareholders. An ordinary resolution will be passed if more than 50 percent of the votes cast are in favour of it.

Resolution 1 – Annual report and accounts

The Directors are required by the Isle of Man Companies Act 2006 (the 'Act') to present to the shareholders of the Company at a general meeting the reports of the Directors (including the strategic report) and auditors and the audited accounts of the Company for the year ended 31 December 2022. The report of the Directors and the audited accounts have been approved by the Directors and the report of the auditors has been approved by the auditors. A copy of each of these documents may be found in the 2022 Annual Report and accounts (the 'Annual report and accounts'), starting at page 96.

Resolution 2 – Annual report on Directors' remuneration

The annual report on Directors' remuneration is included in the Annual report and accounts, starting at page 88, and details payments made during the year ended 31 December 2022. Voting on this resolution is advisory only, which means that, by voting for the resolution, shareholders indicate their approval of the report. However, should the resolution not be carried, shareholders cannot require the Company or the Board of Directors to change or reverse decisions the Board of Directors has already made and implemented as regards Directors' remuneration in 2022.

Resolution 3 – Final dividend

The Directors are recommending a final dividend for the year ended 31 December 2022 of 3.25 pence per ordinary share, payable on 11 August 2023 to holders on the register of members as at the close of business on 30 June 2023. The final dividend will not be paid without shareholder approval and its amount may not exceed the amount recommended by the Directors.

Resolution 4 to 8 – Re-election of all Directors

In accordance with emerging best practice for companies whose shares are admitted to trading on AIM, the Company has decided to require all Directors to stand for re-election at the AGM. Brief biographical details of all Directors who are standing for re-election, appear on page 11 of this Notice, and page 76 of the Annual report and accounts.

Resolutions 9 and 10 – Appointment and remuneration of auditors

Resolution 9 seeks shareholder approval for the re-appointment of PricewaterhouseCoopers LLC. The Audit Committee keeps under review the independence and objectivity of the external auditors, further information on which can be found in the Annual report and accounts on page 86. After considering relevant information, the Audit Committee recommend to the Directors that PricewaterhouseCoopers LLC be reappointed.

Resolution 10 gives the Directors the authority to determine the remuneration of the auditors for the audit work to be carried out by them in the next financial year. The amount of the remuneration paid to the auditors for the next financial year will be disclosed in the next audited Annual report and accounts of the Group. The fee for the audit work will be agreed between the Audit Committee and the auditors.

Resolution 11 – Power of Directors to allot shares

Under Article 6 of the Articles, the Directors may only allot ordinary shares or grant rights over ordinary shares if authorised to do so by the holders of ordinary shares. The Directors' existing authority is due to expire at the conclusion of this year's meeting.

The Investment Association ('IA') guidelines on authority to allot shares states that IA members will permit, and treat as routine, resolutions seeking to allot shares representing approximately one-third of the number of ordinary shares in issue. In addition, IA members will treat as routine a request for authority to allot shares representing approximately two-thirds of the number of ordinary shares in issue provided that it is only used to allot share pursuant to a rights issue, open offer or other pre-emptive offer.

Accordingly, the authority in this Resolution 11, paragraph (a) will allow your Directors to allot up to 72,904,783 ordinary shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company, representing approximately one-third of the Company's issued ordinary share capital as calculated at 9 June 2023 (being the latest practicable date prior to publication of this Notice). The authority in this Resolution 11, paragraph (b) will allow your Directors to allot a further 72,904,783 ordinary shares representing approximately one-third of the Company's issued ordinary shares as calculated at 9 June 2023 or grant rights to subscribe for, or convert any security into, shares in the Company, only in with a rights issue, open offer or other pre-emptive offer (as defined in the Articles).

The authority conferred by this resolution will expire at the conclusion of the next Annual General Meeting of the Company or, if sooner, 15 months after the date of the passing of the resolution. The Directors have no present intention of exercising this authority. However, it is considered prudent to maintain the flexibility that this authority provides. The Directors intend to renew this authority annually.

Resolutions 12 to 14 as set out in the Notice deal with the business to be transacted at the AGM to be passed by way of special resolution of the shareholders. A special resolution will be passed if not less than 75 percent of the votes cast are in favour of it.

Resolutions 12 and 13 – Disapplication of pre-emption rights

Under Article 5 of the Articles, when new ordinary shares are proposed to be issued for cash, they must first be offered to existing shareholders pro-rata to their holdings. There may be occasions, however, when the Directors may need the flexibility to finance business opportunities by the issue of ordinary shares for cash without a fully pre-emptive offer to existing shareholders. It is therefore proposed to grant the Directors authority to allot ordinary shares for cash without such securities first being required to be offered to existing shareholders, the proceeds of which may be used for any purpose the directors consider in the best interests of the Company and its shareholders.

Resolution 12 will, if passed, give the Directors authority to allot ordinary shares pursuant to the authority granted in Resolution 11 for cash without complying with the pre-emption rights in the Articles and is proposed as a special resolution. In accordance with the relevant investor guidelines, this authority will permit the Directors to allot and issue, apart from in connection with a rights issue or any other pre-emptive offer concerning equity securities, a maximum of 10,935,717 ordinary shares, representing 5% of the Company's issued ordinary shares as at 9 June 2023 (being the latest practicable date prior to the publication of this Notice).

Under Resolution 13, it is proposed that the Directors be authorised to dis-apply statutory pre-emption rights in respect of an additional 5% of the Company's issued share capital (as at 9 June 2023 being the latest practicable date prior to the publication of this Notice, and excluding shares held in treasury). The Directors consider that proposing this resolution is appropriate for the Company's circumstances and, in accordance with the Pre-Emption Group's Principles, the Directors confirm that the authority will be used only in connection with an acquisition or specified capital investment that is announced contemporaneously with the issue, or that has taken place in the preceding twelve-month period and is disclosed in the announcement of the issue.

The Directors are aware of the revised Statement of Principles and template resolutions published by the Pre-Emption Group on 4 November 2022, which include an increase in the limit on the disapplication of pre-emption rights. The Directors have decided that they do not wish to increase the disapplication threshold at the current time, but that they will keep emerging market practice in this area under review.

As noted in relation to Resolution 11 above, the Directors have no present intention of exercising the authority under Resolutions 12 and 13. The authority conferred by these resolutions will expire at the conclusion of the next Annual General Meeting of the Company or, if sooner, 15 months after the date of the passing of the resolutions.

Resolution 14 – Purchase of own shares

This resolution seeks authority for the Company to purchase ordinary shares on the open market and is proposed as a special resolution in accordance with the Articles. If passed, the resolution will give authority for the Company to purchase up to 21,871,435 of its ordinary shares, representing 10% of the Company's issued ordinary share capital as at 9 June 2023 (being the latest practicable date prior to the publication of this Notice). The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under the authority. The authority conferred by this resolution will expire (unless previously renewed, varied or revoked by the Company) at the conclusion of the next Annual General Meeting of the Company or, if sooner, 15 months after the date of the passing of the resolution.

The Directors do not currently have any intention of exercising the authority granted by this resolution. The Directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of shareholders generally.

In accordance with the Articles, any ordinary shares purchased by the Company under the authority will be cancelled. The Company had options and awards outstanding over 4,199,922 ordinary shares, representing approximately 1.9% of the Company's issued share capital as at 9 June 2023. If the authority conferred by Resolution 14 were to be exercised in full, these outstanding options and awards would represent approximately 2.1% of the issued share capital of the Company.

Appointing a proxy

If you would like to vote on the resolutions to be proposed at the Annual General Meeting but cannot attend the Annual General Meeting, you should appoint a proxy to exercise all or any of your rights to attend, speak and vote at the Annual General Meeting.

In order to reduce the Company's environmental impact, you will not receive a hard copy form of proxy for the 2023 Annual General Meeting in the post automatically. Instead, you will be able to appoint a proxy electronically using the link www.signalshares.com. Details of how to appoint a proxy in this way are set out on pages 8 to 10 of this document. Alternatively, you may request a hard copy form of proxy directly from our Registrar, Link Group. Details of how to request, and complete, a hard copy form of proxy are set out on pages 8 to 10 of this document. Voting by proxy prior to the AGM does not affect your right to attend the AGM and vote in person should you so wish. All proxy instructions must be received by the Registrars not less than 48 hours before the time of holding the meeting.

Recommendation

The Directors consider that the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend shareholders to vote in favour of them, as the Directors intend to do in respect of their own beneficial holdings.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Raudres Wong', with a long horizontal stroke extending to the right.

Explanatory Notes

1. Entitlement to attend and vote at the meeting

Pursuant to Regulation 22 of the Uncertificated Securities Regulations 2006 of the Isle of Man, the Company specifies that only those shareholders of the Company on the register at close of business on 30 June 2023 shall be entitled to attend or vote at the AGM in respect of the number of shares registered in their name at the time. Changes to the register of members after that time will be disregarded in determining the rights of any person to attend or vote at the meeting.

2. Entitlement to ask questions

Any member attending the meeting has the right to ask questions. The Company has to answer any questions raised by members at the meeting which relate to the business being dealt with at the meeting unless: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (ii) the answer has already been given on a website in the form of an answer to a question, or (iii) it is undesirable in the interests of the Company or the good order of the meeting to answer the question. Whether or not members propose to attend the Annual General Meeting in person, the Company requests that any questions concerning any of the business to be dealt with at the Annual General Meeting are submitted in advance by email to AGMquestions@strix.com so that a response from the relevant member of the Board of Directors can be provided.

3. Appointment of proxies

A member of the Company entitled to attend, speak and vote at the Annual General Meeting is entitled to appoint a proxy or proxies to exercise all or any of his or her rights to attend and to speak and vote at the Annual General Meeting. A proxy need not be a member of the Company, but must attend the Annual General Meeting to represent a member. To be validly appointed, a proxy must be appointed using the procedures set out in these notes and in the notes to any hard copy form of proxy (if applicable). A proxy may be the Chairman of the meeting, or another person of your choice, who need not be a member of the Company. If members wish their proxy to speak on their behalf at the Annual General Meeting, members will need to appoint their own choice of proxy (not the Chairman) and give their instructions directly to them. A member may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to different shares held by that member. A member may not appoint more than one proxy to exercise rights attached to any one share.

A member may instruct their proxy to abstain from voting on any resolution to be considered at the Annual General Meeting by marking the 'Vote Withheld' option when appointing their proxy. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion.

The appointment of a proxy will not prevent a member from attending the Annual General Meeting and voting in person if they wish. If you have appointed a proxy and vote at the Annual General Meeting in person in respect of shares for which you have appointed a proxy, your proxy appointment in respect of those shares will automatically be terminated.

In order for a proxy appointment to be valid, your appointment must be received not less than 48 hours before the time of holding the meeting or, in the event that the Annual General Meeting is adjourned, by no later than 48 hours (excluding non-business days) before the time of any adjourned Annual General Meeting or, in the case of a poll taken otherwise than at or on the same day as the Annual General Meeting or adjourned Annual General Meeting, for the taking of the poll at which it is to be used.

4. Appointment of a proxy online

Members may appoint a proxy online at www.signalshares.com (the 'Website') by following the on-screen instructions, paying particular attention to the 'Proxy Voting' link, by no later than 9:00am on 30 June 2023. In order to appoint a proxy using the Website, members will need to log into their Signal Shares account, or register if they have not previously done so. To register, members will need to identify themselves with their Investor Code which is detailed on their share certificate or available from our Registrar, Link Group, on Tel: 0371 664 0300 or by emailing shareholderenquiries@linkgroup.co.uk. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00am – 17:30pm, Monday to Friday excluding public holidays in England and Wales.

5. Appointment of a proxy using a form of proxy

You may request a hard copy form of proxy directly from our Registrar, Link Group, on Tel: 0371 664 0300 or by emailing shareholderenquiries@linkgroup.co.uk. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00am – 17:30pm, Monday to Friday excluding public holidays in England and Wales.

To be effective, the completed and signed form of proxy must be lodged at the office to PXS 1, Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL (together with any power of attorney or other authority under which it is signed or a notarially certified copy of such power or authority) by no later than 9:00am on 30 June 2023.

To appoint more than one proxy using a hard copy form of proxy, you may photocopy the form of proxy. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. If possible, all forms should be returned together in the same envelope.

6. Appointment of a proxy through CREST

CREST members who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual and by logging on to the following website: www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (the CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('Euroclear') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Link Group (ID RA10) by no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s) to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) or the Uncertificated Securities Regulations 2001.

7. Appointment of a proxy by joint holders

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy (in hard copy, by electronic means or through CREST), only the appointment submitted by the more senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the more senior). For a proxy appointment submitted by hard copy, the signature of only one of the joint holders is required on the form of proxy.

8. Changing a proxy appointment

To change your proxy instructions, simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions: any amended proxy appointment received after the relevant cut-off time will be disregarded.

If you submit more than one valid proxy appointment in respect of the same shares, the appointment received latest before the latest time for the receipt of proxies will take precedence.

9. Revocation of a proxy appointment

In order to revoke a proxy instruction, you will need to inform the Company by sending a signed notice clearly stating your intention to revoke your proxy appointment to PXS 1, Link Group, Central Square, 29 Wellington Street, Leeds, LS1 4DL. In the case of a member that is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the Company or a duly appointed attorney for the Company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Link Group not less than 48 hours before the time of holding the meeting. If you attempt to revoke your proxy appointment but the revocation is received after the time specified, then your proxy appointment will remain valid.

10. Company members

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares. When a company which is a member appoints a proxy, the proxy form must be executed under that company's common seal or signed on its behalf by a duly authorised officer of that company or an attorney for the company.

11. Issued share capital

As at 9 June 2023 (being the latest practicable day prior to the date of this Notice) the Company's issued share capital consisted of 218,714,348 Ordinary Shares of £0.01 each, carrying one vote each. No shares are currently held in treasury, and therefore the total voting rights in the Company as at 9 June 2023 were 218,714,348.

12. Letters of appointment and Articles of Association

Copies of the letters of appointment for the Non-Executive Directors and the Memorandum and Articles of Association of the Company will be made available for inspection during normal business hours on any weekday (public holidays excepted) from the date of this Notice until the conclusion of the AGM. If you have any questions relating to these documents, the questions should be submitted email at AGMquestions@strix.com.
